## DESIGN BY GENIUS

RETROSPECT CLASSIC. 鬼才设计，演绎经典。

光是一种无从捉摸的表现手段，它所起的美化作用，是我们如何利用而定，如果将光恰到好处地应用到生活，使其产生艺术魅力，那么照明的科学性以艺术性也就得到了确认。

Lighting is untouchable, and beautification is the role played by it. Depending on how we use available light, if we use it just right, it can easily achieve the artistic charm.

灯光就像是一支看不见的画笔，只要很好的运用这支笔，就可以把生活中的内涵和意境，表现在不同的空间中。如同人一样，灯光也有自己的语言，在不同的位置用不同的光，能达到不同的效果。  
Lighting is like an invisible brush. If there is good use of this brush, then we can create a living space with refinement culture in different dimension. Like a person, lights have their own language. We can achieve different effects, when we use different lights in different place.
