灯光就像是一支看不见的画笔，只要很好的运用这支笔，就可以把生活中的内涵和意境，表现在不同的空间中。如同人一样，灯光也有自己的语言，在不同的位置用不同的光，能达到不同的效果
Lighting is like an invisible brush. If there is good use of this brush, then we can create a living space with refinement culture in different dimension. Like a person, lights have their own language. We can achieve different effects, when we use different lights in different place.
