YONGAN LIGHTING

2019
LED Solar
Street Light
NEW

Zhongshan Yongan Street Lighting Co., Ltd. founded in 1990, located in Guzhen Town- China Lighting Center, Guangdong Province. The company covers an area of 3000 square meters showroom and has a modern standard plant of 100000 square meters in Henglan Town. We are manufacturer specializing in outdoor lightings, multi-type products and industries and integrating development, production and Sales .

The source motive of our company is "Innovation as Core Competitiveness" . Over the years, we constantly optimized products and integrated advanced technological elements and improved the market competitiveness of our products. By appointing designers to go to developed countries to learn and inviting related experts for guidance, the styles of our products, with unique appearance, nice lighting effect and top quality, fully meet different cultural demands in different regions. Through communication with users and feedback from sales personnel, we constantly make innovation to our products and production technology, to forge the world class lighting brand. By enriching product types, we developed many energy saving products, such as high light LED flood light , electrodeless, solar power road lamps, wind power road lamps, etc.

Our products are widely applied to municipal public projects, property development areas, garden landscapes, leisure places, etc., building beautiful environments for people and confirming the slogan of "Good Lamp, Good Environment" . We have developed over 800 types of products with elegant appearance and advanced design, and have been widely used in our products. We warmly welcome you to visit our factory and put all your ideas into the world. We are developing toward the "World Brand" .

In the management philosophy of "People Oriented" , we stress on the training to create a professional and international enterprise .

Company certification and honors

LED Solar Street Light

YA-ZY

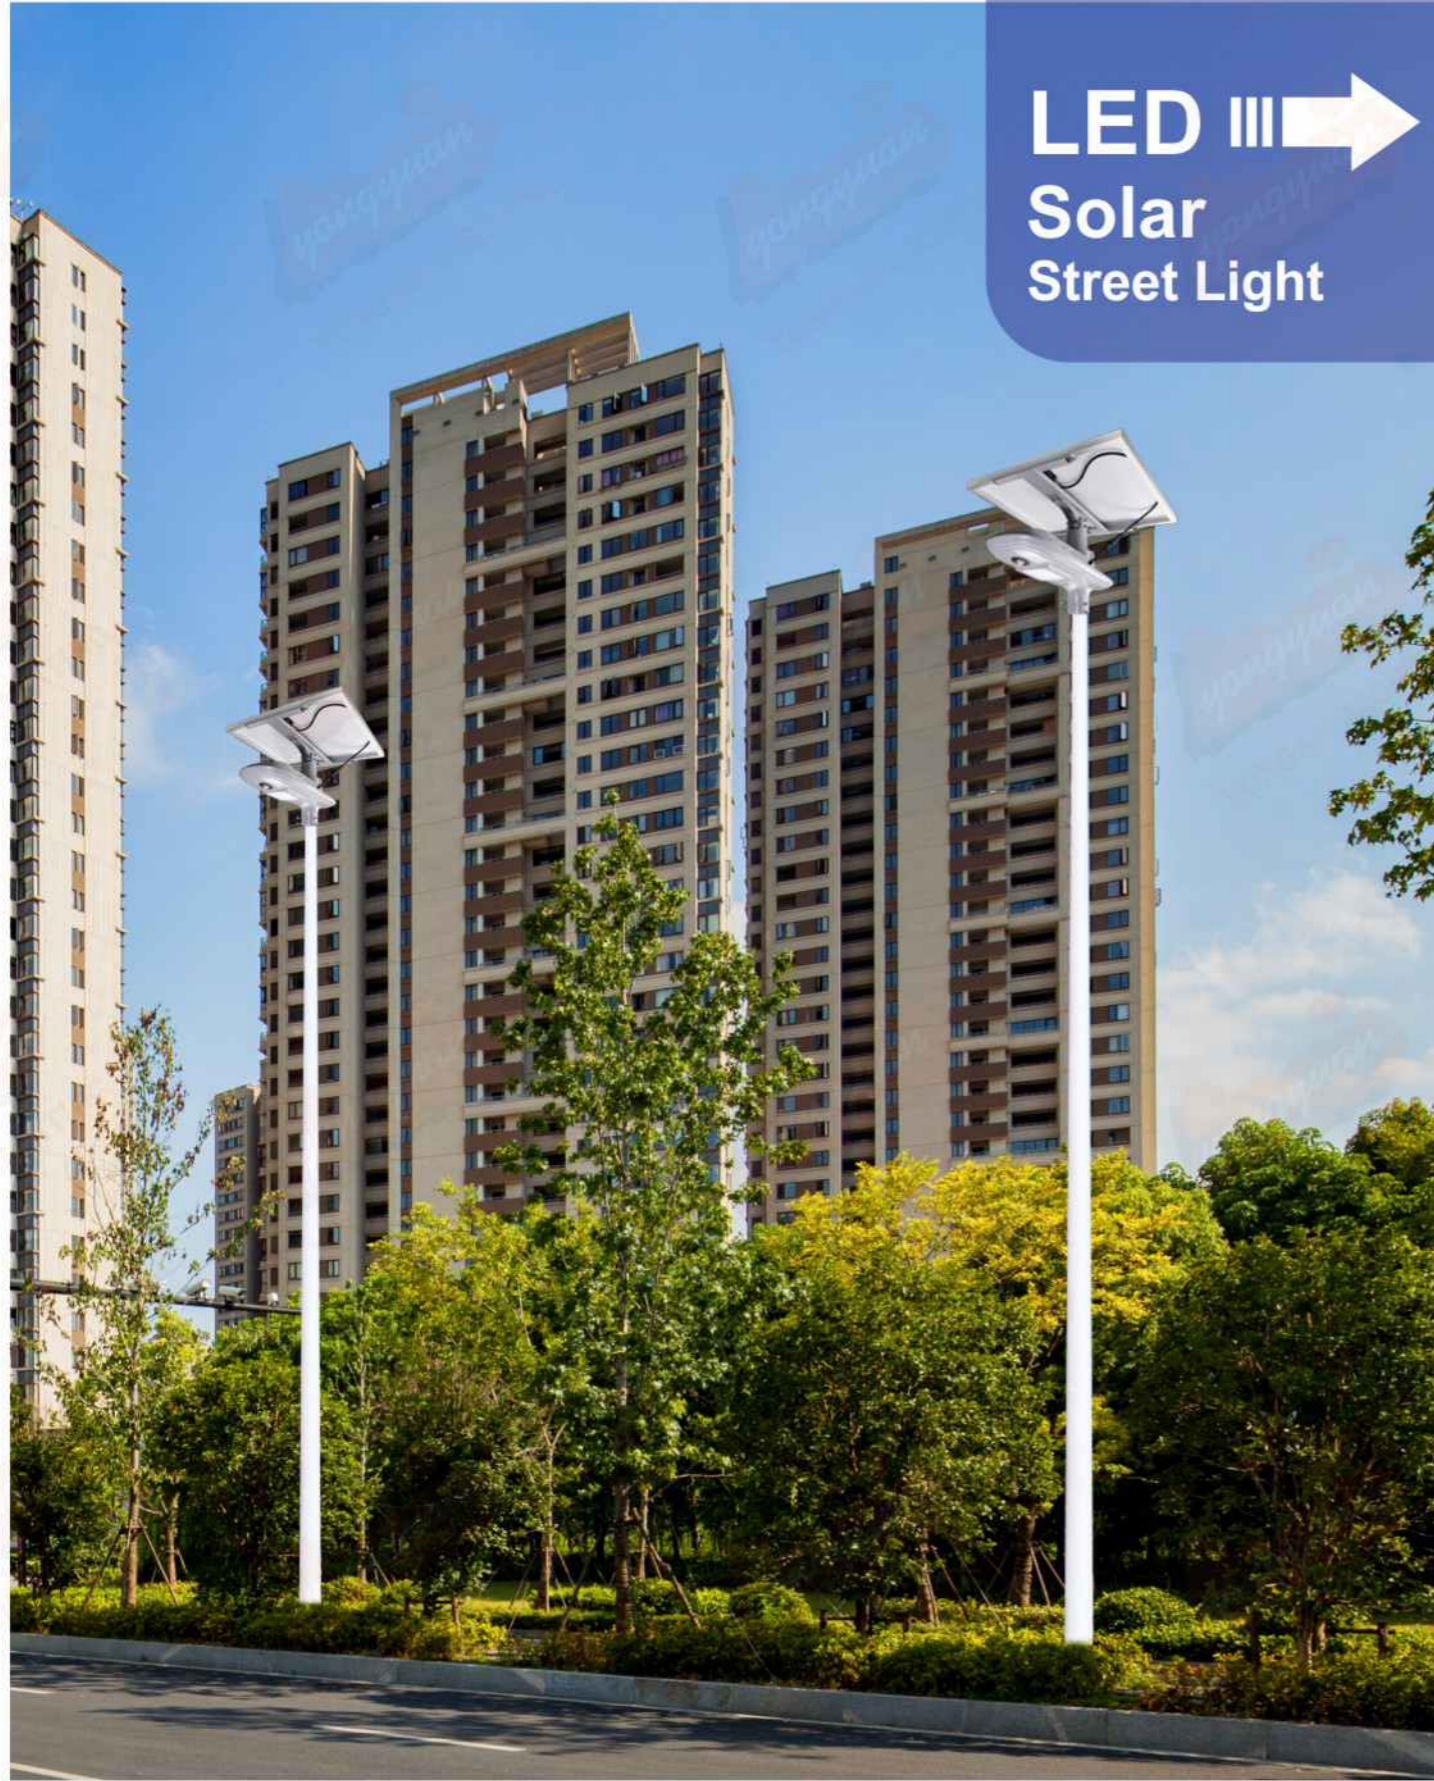

Application scope:
It is widely used in highway, main road, branch road, park, square, garden road, pedestrian street, parking lot, street, community, factory, school, all kinds of residential area, courtyard and other road lighting.

Product features:
Green environmental protection: free from harmful metal elements such as mercury and lead, free from red ultraviolet light and pollution; The aluminum base plate inside the lamp body is thick and has good heat dissipation, which ensures the long life of the lamp, up to 30,000 hours.

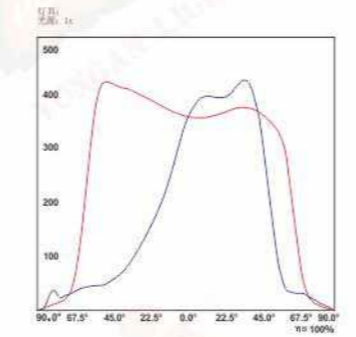

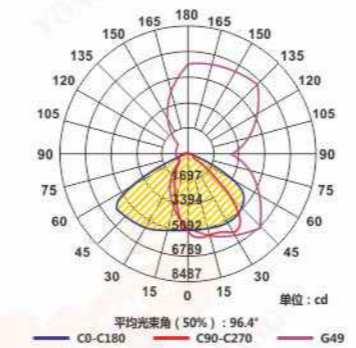

Product information

Model	LED Power	Lifespan	Luminous efficiency	CCT	Size of lamp	Size of solar panel
YA-ZY015	15W	30000H	90-100LM/W	3000-6000K	525*288*100mm	670*530*20mm
YA-ZY020	20W	30000H	90-100LM/W	3000-6000K	525*288*100mm	670*640*20mm
YA-ZY030	30W	30000H	90-100LM/W	3000-6000K	525*288*100mm	840*670*20mm
